Scout Moving On Award

Dear parents/carers and Scouts,

You are receiving this letter as your Scout Leader has identified that you are around 13½ years old and we would like you to undertake the Moving On Award for Scouts over the next 6 months, which includes finding out about the opportunities with Explorer Scouting in our District and other opportunities that includes the Young Leaders Scheme and Duke of Edinburgh Award with Scouting.

We would like to share your Scout record with the District Explorer Unit to make this happen, so you can be invited to some great opportunities and Explorer events whilst you or your son/daughter remains a Scout.

All Explorer Scouting and the Young Leaders Scheme is operated at a District level, and as this has a different data owner to the Scout Group, we are seeking your explicit consent to pass your information to them and Online Scout Manager. Once your information has been passed over to Explorers, you will receive an email from the www.onlinescoutmanager.co.uk system that allows you to check, edit and remove any information held upon you by them.

Please can you return the slip below to your Scout Leader.

Yours sincerely

Scott Doughty

District Explorer Scout Commissioner – Chester le Street
